

Welcome Home Basket

A Community of Friends has a tradition of preparing “Welcome Home Baskets” for tenants moving into our buildings. In an effort to help them transition to a home of their own, volunteers and the staff at A Community of Friends gather the essentials listed on the list below in a large laundry basket. We add a warm Welcome Home Card with personalized message.

If you'd like to put together a Welcome Home Basket, we recommend the following:

- Purchase most items at stores like 99 Cent Store, Dollar Store, Costco, Kohls, Walmart, Ross.
- Each basket should contain at least one of each item listed below.
- The laundry basket is the container for the items.
- All items should be new and full-sized.
- No candles, please!

Bathroom Needs
