

## REGIONAL PERMANENT SUPPORTIVE HOUSING PRIMER A SUCCESS!

Last week, The Kennedy Commission in partnership with Innovative Housing Opportunities and CAL-ALHFA held a regional Supportive Housing Forum. Over 70 local government staff, advocates, service providers and affordable housing and supportive housing industry leaders attended this event to share experiences and best practices on Supportive Housing. The event featured an overview of Supportive Housing programs and case studies from Los Angeles and Orange County.

**Thank you to all the participants and panelists for such a great event!**

You will find the CSH Supportive Housing slide deck [HERE](#).

## Become a Member!

Every member matters. With the current housing crisis, our communities need us perhaps more than ever. With your partnership, knowledge and expertise we can make a positive change for the residents most in need. Be part of the solution and support our efforts to increase affordable housing opportunities in Orange County.

Accomplishing our mission requires resources and the Kennedy Commission's efforts are 100% supported by charitable contributions.

Please take a moment to think about the value to you of the range of services we provide including informative monthly programs, monthly newsletters, timely action alerts, opportunities for training and networking. Please make a contribution to support our efforts and thank you for your partnership.

As a non-profit Sec. 501(c)(3) organization, gifts to the Kennedy Commission are tax deductible.
